REGISTERED ALUMNI

We are delighted to see our Alumni continually grow and encourage you to share the registration details across your network using the QR code.

Could you make a difference?

We are always looking for partners who may be able to offer our students a range of Career-based opportunities.

If you are able to support please contact
yourfuture@unitedlearning.org.uk

LONDON STOCK EXCHANGE: RINGING THE BELL FOR FINANCIAL LITERACY

Sixth Form students at Paddington Academy recently spent an inspiring morning at the London Stock Exchange as part of their 'Ringing the Bell for Financial Literacy' event, in conjunction with City Pay It Forward. Part of 'World Investor Week' the event raises the awareness of the role that the stock exchange plays in supporting financial stability. Students felt very privileged to be a part of such a historic and momentous occasion.

DEPARTMENT FOR BUSINESS AND TRADE: INSIGHT DAY

As part of our ongoing partnership with the Department for Business and Trade, Sixth Form students from Holland Park School were warmly welcomed for an Insight Day earlier this term. The day provided a fascinating opportunity to learn of the array of roles in the Civil Service, various meet and greets whilst also giving students the chance to simulate tasks and activities linked to the employer.
