

Using Teams for Teaching and Learning: How to Join a Live Lesson

Step 1: Find and Select Your Class Team

Once you are logged into Teams, click on the **Teams** icon on the left-hand toolbar to see the class team or teams that you belong to. Click on your class team to see the latest announcements and activities that have been set for you and your class.

Step 4: Check Your Video and Sound, then Join the Lesson

Before you begin the lesson, you can check that your camera and microphone are set up and working properly. When you are ready, click on the **'Join Now'** button at the bottom of the screen.

Step 2: See your Live Lesson Links in Channels

Your class team may be split into different **'channels'**. Clicking on each one will show you the lessons you have been invited to. In the image below, a live lesson (or meeting) has been scheduled for Science. You can click on this link to start joining a live lesson.

Step 5: Entering and Leaving the Lesson

You may have to wait a few moments for your teacher to let you into the lesson once they are ready to do so.

Remember that when the lesson ends to click on the red **'Leave'** button.

Step 3: Use the Calendar to Join Live Lessons

You can also see an overview of all of your live lessons by clicking the **Calendar** icon.

To join a lesson from the calendar view, click on the calendar entry and then click the **'Join'** button.
